

**Remarks**

Upon entry of the present amendment, claims 1-6 and 8 are pending.

The Examiner repeated and made final the Restriction Requirement. While Applicants do not agree that claim 7 is of a different scope than claims 1-6, Applicants have cancelled claim 7 in order to advance the prosecution of this application.

The Examiner objected to the claims as containing non-elected subject matter. Applicants have amended claim 1 to conform to the subject matter indicated by the Examiner as elected. Specifically, Applicants have amended claim 1 to those compounds wherein R<sub>4</sub> is phenyl substituted by (optionally substituted) tetrazole and R<sub>1</sub>-R<sub>3</sub>, R<sub>5</sub>-R<sub>8</sub>, m, n, p, q, and W are as set forth in claim 1.

The Examiner indicated allowability of the claims if amended to limit the claims to the elected subject matter. Applicants have amended the claims as suggested by the Examiner. Accordingly, Applicants respectfully request allowance of all pending claims.

As this response is submitted within three months from the mailing date of the Office Action, no additional fees are believed necessary. However, in the event the undersigned is mistaken in her calculations, an appropriate extension of time to respond is respectfully requested, and the Commissioner is authorized to debit the appropriate fee for that extension, or any other fee, from the deposit account of the undersigned, No. 50-1676 in the name of Syngenta Crop Protection, Inc.

Respectfully submitted,
